REFERENCE:

Letter to the DCI from the Director, Office
of Government Ethics, dated 16 December 1985,
(DDA 85-4324)

1. The Director of Communications has expressed interest in the referenced training program and would like more information on the subject. He believes an appropriate forum might be his regularly scheduled staff meetings. [REDACTED]

2. The reference states the training program can be integrated into such meetings but also mentions the requirement for a commitment to commence "regular and even mandatory ethics training as a first step," indicating the possibility of a continuing or long-term program. Prior to making such a commitment, however, we would like to know the details of the above noted "regular training." [REDACTED]

3. If sufficient interest has been generated by other components to warrant a request to the Office of Government Ethics for program specifics, we would appreciate receiving any information provided. Of particular interest would be the possibility of receiving such training as a "one-shot-deal." [REDACTED]
